### Resale contract

**Thank you for your interest in distributing our products!**

Please refer to the online store for prices and item catalog.  
We do NOT keep inventory of products, they are printed to order.  
Resale price: we suggest the prices displayed on our online store: [www.miss3d.com](http://www.miss3d.com)

#### Items in consignment:

A small quantity of items will be left for you to assess the market.  
An invoice will be sent with the shipment to which your discount is applied.  
You can only place a new order when the previous invoice is paid in full. A period of 3 months is allocated to assess the potential. We will then offer to purchase the products or return them to us, at your expense.

Items in consignment are your responsibility. In the event of loss, theft or damage to the products, no returns will be accepted. Miss 3D assumes shipping costs for the first shipment only. The return of products is at your expense, if applicable.

Miss 3D reserves the right to collect products from consignment at any time.

The starting discount percentage for consignment products is 20% and will be revised according to the sales volume.

#### Resellers:

Favoring purchases for resale, the percentage of discounts offered to physical stores purchasing our products is very competitive. 30% is offered initially and this percentage can go up to 50% for large volume orders.
